## Experience

*Police Officer* *Oakland Police Department*  
*Oakland, CA (Sept. 2012-Present)*

- Solve problems quickly in volatile situations dealing with people of various backgrounds
- Patrolling a high crime area of the city and respond to dispatch calls to ensure public safety
- Investigate criminal activity, interviewing victims, witnesses and suspects
- Educating public on crime prevention and public safety
- Testifying in court and working with District Attorney's office in criminal cases
- Training of new recruits and interviewing of potential police office candidates
- Recognized for outstanding performance and received Certificate of Captain's Commendation in October of 2014

### *Intern*

*San Benito County* *Hollister, CA (Jan. 2012-July 2012)*

- Conducted interviews of adult and juvenile probationers and paroles to understand their situation and assign leniency or consequences as needed
- Assisted with arrests, filed operations, drug test, searches and seizures as well as jail transport

### *Supervisor*

*Waiter.com* *Mountain View, CA (March 2008 -Sept. 2012)*

- Successfully managed up to 50 drivers to ensure timely delivery and proper flow of communication between staff and dispatch
- Helped to develop policies to incentivize drivers' performance raising our metrics as a whole.
